Dear Trinidad trails committee,

Thank you for your work on the trails.

I have a couple of comments.

My first comment is about the proposed Trail Head signs.

I like and think what looks best is the post or bullard type. The post has less surface to be vandalized and is less expensive to install and replace when vandalized.

Second comment is about Parker Creek Trail.

I am unofficially commenting for my neighbors also.

I live on Parker Creek Drive, there is a trail easement running through my property for Parker Creek Trail, as my neighbors also have.

We all would like to see NO PARKING signs along Parker Creek Drive and the adjacent field behind Murphy's Market. There are already signs in the Murphy's Market field along View Ave.

Parker Creek Trail is getting to be very popular with sometimes 10 to 20 cars parked along Parker Creek Drive.

Not fair to us to have slamming car doors, loose dogs and noisy excited people arriving and departing all day long and late into the evening.

No toilets on Parker Creek Drive and also at the beach so it is kind of disgusting to say the least. I have seen an expansion of users go from a few beach walkers to rock climbers, nude sunbathers, people looking for artifacts and more partying. Beach fires and fireworks always make a party more fun.

I am surprised the Trinidad Rancheria is okay with the increased use.

Those are my comments and a bit extra, sorry.

Thanks for your time everyone, keep up the good work.

Jacques Beaupre
Parker Creek Drive
